“I’m always looking for new ways to keep my course in pristine condition – and stay within budget. One of the products I’ve come to depend on is Bilco’s green divot sand.”

– Joe McMahon

Golf Course Superintendent

Honors Golf Club (formerly Columbian Country Club), Carrollton, Texas

Since 1955, Bilco has produced superior colored sand products. Continuing in that tradition, we now offer top-quality green divot sand and green USGA sand. Delivered dry to reduce clumping, these sands apply easily

and perform consistently to maintain course appearance.

Along with providing quality products, Bilco is dedicated to competitive pricing and exceptional service for our customers.
